10:35	***Visit n°1 : Genoa historical centre (Architecture faculty, theatre and the Museum of Sant'Agostino)*** The engineer Dr. Gatti will guide LUDEN members in a study visit to the historical centre, successful example of urban regeneration, as the area was a degraded one, before the creation of an Architecture faculty, a theatre and the Museum of Sant'Agostino
13:00	*Lunch*
14.30	Travel to Visit n°2 by organised bus
14:50	***Visit n°2: Cornigliano: Villa Bombrini, cineporto and incubator of small enterprises*** Genoa's Cineporto is a centre of excellence for audiovisual production, as well as a perfect example of regeneration of one of the previously most depressed areas of the city. Genova-Liguria Film Commission e Società per Cornigliano have recovered a disused insutrial area – ex Italsider building, in front of ILVA blast furnace – and have transformed it in a service centre for audiovisual production. The structure is integrated with the functions of the audiovisual pole of Villa Bombrini, where Genova-Liguria Film Commission has established its new office and that hosts 12 small Ligurian enterprises. Dr. Da Molo, Delegated Administrator of Genova 2004 s.r.l. and President of Fondazione Genova-Liguria Film Commission will talk about Genoa European Capital of Culture in 2004
